PROUDLY SPONSORED BY

Chairperson's Address

Once again, we are delighted to host our annual Shankill FC Champions League in honour of Bertie Messitt. Bertie's vision was to build a community-based club in Shankill for kids of all ages to take part in sport, irrespective of whether they are star players or just getting started.

Our Champions League event provides a feast of football for everyone to enjoy each evening over two weeks in Shanganagh Park starting July 6th, where 600 players, in 58 teams from Shankill and the surrounding areas, will compete for trophies and medals. Each year we hear wonderful feedback and great stories of golden goals and soccer legends in the making, and we hope for the very same this year. It is also wonderful to see so many parents and spectators at the events and we hope you also enjoy the games. We will also provide additional services such as our Barbeque and shop every evening. On the finals day we will have a big screen with a DJ, a professional photographer and video and other entertainment, so make sure to keep Sunday 19th July free in your calendar.

Finally, I want to wish all the players the very best of luck and ask all to remember that this competition is about having fun and showing respect for referees, your team and your opposition. Enjoy!

Dave Griffin

Chairperson

Shankill FC

Behaviour Expectations

- Please stay back at least 1 metre from the pitch to give the kids room to play.
- Respect the managers, referees and club officials.
- Swearing or abusive language will not be tolerated and any person using this will be asked to leave the vicinity.
- Players are expected to adopt a fair play policy throughout the competition.

The Shankill FC Champions League was set up in memory of one of Shankill's local sporting heroes.

Bertie Messitt was instrumental in encouraging kids to play sports in Shankill and to have fun while doing this. At Shankill FC we aspire to continuing Bertie's plan and want your kids to enjoy the experience of playing sport with other kids from the localities. Please remember that all the people connected with this tournament are giving their time on a voluntary basis for our benefit.

Encourage the kids to have fun and enjoy yourselves also.

Shankill FC Champions League Rules

Safeguarding & Welfare at Shankill FC

In Shankill Football Club, we strive to ensure the best possible environment for all those involved in football. We want all our players, whether super stars or just starting out, to feel they are a valuable member of the team. We believe that players, coaches and spectators are entitled to an enjoyable, safe and sporting environment free of abuse of any kind. We also believe that spectators, coaches and players have responsibilities to treat other participants and sports leaders with fairness and respect. Our mantra is participants have rights which must be respected but also have responsibilities that must be accepted.

Referees enable fair play, so play fair with the referee

Eliminate unruly behaviour

Silent sideline, please. Let the players play.

Parents should watch, not coach

Enjoyment is the real goal in the game.

Cheer for positive play from both teams

Two metres back from the touchline please.

Guidelines for Parents & Spectators

Please be on your best behaviour and lead by example.

Undermining or abuse of players, coaches or referees, in any shape or form, is never acceptable. Players, coaches and referees should not be treated as fair game for spectators to vent their frustrations.

So please remember...

- Don't publicly question the referee's judgement or question their honesty or integrity.
- Spectators are there to watch the game, not to coach the players.
- Young people are involved in soccer for their enjoyment, not just yours.
- Young people are learning to play football. They are not miniature internationals or premier league players.

Encourage an appreciation of mutual respect in your child and set a good example by applauding good play by both teams.

Encourage your child to always play by the laws of the game and in a sporting manner.

- Teach young children that honest endeavour is as important as winning, so that the result of each game is accepted without disappointment. Do not place emphasis on winning at all costs.
- Never ridicule, humiliate or shout at young players for making a mistake or losing a match.
- Support all efforts to remove verbal and physical abuse from soccer.
- Recognize the value and importance of volunteer referees and coaches. They volunteer their time and resources to provide recreational activities for young people.

Pitch Layout & Car Park

Following the incredible success of our first-ever Strictly Come Dancing fundraising event, we would like to sincerely thank everyone who helped make the night such a memorable occasion.

Together, we raised an amazing €36,000+ for the club. This would not have been possible without our fantastic dancers, dedicated volunteers, hardworking organising committee, and everyone who worked behind the scenes.

A special thank you to all of our sponsors, particularly Core Credit Union, and to the 40 local businesses who generously supported the event through sponsorship, donations and prizes.

The support from our community has been truly overwhelming, and we are incredibly grateful to everyone who contributed in any way.

Thank you all once again from everyone at Shankill FC.

PROUDLY SERVING OUR PLAYERS, FAMILIES & COMMUNITY
THANK YOU FOR SUPPORTING SHANKILL FC

The Panthers Academy has been in place since 2007, catering for boys & girls aged 4 to 6, preparing them for league football. We embrace a journeying approach to allow for an authentic experience to emerge for the learner, feeling that they have ‘played’ not ‘trained’.

Our Girls Academy

The Girls Academy was formed in 2001 and looks to provide an opportunity for girls to learn the game of football in a fun, engaging and friendly environment. We're focused on developing girls at their own pace with no pressure and if and when they are ready, onto a team in the future.
